Carolann Ames – Laurel Canyon Road

By John Koenig
December 22, 2011

Amazing vocals; gave me shivers. All original songs, what's really expected these days, but also lyrics that peek inside Ames. I enjoy this record; it's calming yet engaging at the same time. Even if you're not a listen-to-the-words person, I know you'll like the sound of Carolann Ames. Pretty doesn't do this music justice.
