“Carolann Ames and her band’s performance for the Indie Spotlight is in the upper echelon of all the bands we have had through WFPK lately.”

- MARION DRIES, WFPK LOUISVILLE

“A solid backing band gives Ms. Ames a fresh sound but the center is really on her amazing sounding, unmistakable voice.”

- MWE3.COM

“Carolann sings passionately with awareness, security and delight. It’s moving music that’s good for the heart.”

- JOE ROSS, ROOTS MUSIC REPORT

“The musicality of Laurel Canyon Road is nothing short of spectacular.”

- DUSS RODGERS, CATSASK.COM

“Too often singers gifted with a voice as lovely as Ames allow their vocal skills to substitute for true emotion in their delivery and for substance in songwriting. That’s a trap Ames avoids.”

- VINTAGE GUITAR

“Ames reveals herself in the emotive lyrics of her originals and cinches the deal with the voice that has impressed everyone.”

- MUSIC NASHVILLE NEWS

“The music is consistently interesting, blending acoustic country with an occasional rock ‘n roll bite. There’s no doubt that this album is filled with the kind of tracks the radio loves.”

- NO SURF MUSIC

“Carolann Ames is one of those rare triple threat artists. Besides being an electrifying performer, she is also a top flight writer and producer.”

- LONNY BROOKS,  
TAYLOR GUITARS
